## Guidelines of Quiz contest for all category of Loco Pilots

CRIS is going to organise Quiz Contest on 'Automatic signalling' on date 14.08.2024. All categories of Loco pilot are advised to participate in quiz contest. Following instructions are to be followed by the Crew:

1. **Quiz contest will start between 10:00 AM to 10:30 AM on 14.08.2024.**
2. **There will be 45 questions and total 30 minutes will be given to the crew for completion of quiz with 40 seconds allotted to answer each question.**
3. Quiz questions will be available only in **ENGLISH** language.
4. Irrespective of selecting question type option, only Automatic signalling questions will be displayed for the quiz contest in contest time window.
5. Following steps will be used by CRIS to calculate the marks/Rank of the crew:
    I. Negative marking of 01 Mark for each wrong answer will applicable for the quiz contest.
    II. For every correct answer, 03 marks will be added.
    III. No mark will be given for the skipped questions.
    IV. Winners of quiz contest will be declared considering marks scored and time taken for completing the Quiz.
    V. If crew attempt multi quiz in specified period of contest, the first attempt will be considered for the contest.
6. Designation-wise list of Quiz Contest Toppers will be shared to the divisional authorities.

## Steps to be followed to play the Quiz contest

1. Quiz contest will be available only between the 10:00 AM to 10:30 AM on 14.08.2024.
2. Loco pilots will have to start the Quiz in this time only.
3. Loco pilots are advised to ensure **Chalak Dal version 2.2.8** to be installed in their mobiles before starting the Quiz contest.
4. Steps:
    I. Login in **Chalak Dal** application with OTP based authentication.
    II. Crew will have to click on Quiz option available on the home screen of **Chalak Dal** after login.
    III. Select language as **"All or English".**
    IV. Select Categories as **"Automatic".**
5. After starting the quiz, question timer of 40 seconds for each question will be displayed at the bottom of the screen.
6. 30 minutes timer for the quiz will be displayed on top of the screen.
7. Crew can pass/skip the questions if they want to go to the next question without answering the question.
8. If crew marks the correct answer, marked option will be displayed in Green colour.
9. If crew marks the wrong answer, marked option will be displayed in Red colour along with correct answer.
10. After completion of the Quiz contest, summary of correct answers, wrong answer and passed/skipped questions will be displayed at the bottom of the screen.
